LANDLORD AGREEMENT

Name: _____

Account #: _____

Please list rental properties:

This signed agreement by the property owner or authorized agent of the address above, establishes that it is the Landlords responsibility for the payment of the water utility bills.

Every property owner shall be responsible for any water charges or fees left unpaid by any tenant of the premises.

It is the responsibility of the Landlord to monitor the payments of their tenants, so that the Landlord can determine to his or her satisfaction that the bill is paid.

If this agreement is not signed the water service to the property will remain in the Landlords name when new tenants move into the property.

No new water service will be provided to the property until the past due bill is paid in full.

This policy will be implemented on October 1, 2017 for existing tenants. Tenants buying on contract will be seen as renters until deed is provided.

IN WITNESS THEREOF, we have hereunto executed this agreement this _____

Day of _____, 20____.

Landlord/Authorized Agent: _____
